AISHWARYA SHRESTHA

Frontend Developer

Toronto, Ontario, Canada | (647) 885-4064 | aishstha4064@gmail.com
GitHub:https://github.com/aishustha | Portfolio:https://aishustha.github.io | LinkedIn

OBJECTIVE

Passionate Front-End Developer with experience building responsive, accessible, and user-focused web applications using React.js and modern frontend technologies. Skilled in UI/UX design, accessibility (WCAG/AODA), and collaborating in Agile, cross-functional teams to deliver meaningful digital experiences.

SKILLS

Languages & Frameworks: React.js, HTML5, CSS3, JavaScript (ES6+), TypeScript

Testing & Tools: Jest, Jasmine, Git, Bitbucket, GitHub, npm, Node.js, JIRA, Notion

Industrial Skills: Accessibility (AODA/WCAG), Wireframing, Prototyping, Web Optimization, WordPress Theme Development, Agile/Scrum Methodologies, SEO, Google Analytics

EXPERIENCE

Frontend Developer
Golden Oak Care – Etobicoke, ON | Jun 2023 – Present

- Developed responsive and accessible WordPress websites tailored to healthcare services.
- Increased organic traffic by 30% through SEO improvements and content optimization.
- Built and maintained reusable UI components and custom themes with HTML, CSS, and JavaScript.
- Ensured **WCAG/AODA compliance** across all web properties through testing and QA.

Frontend Developer Intern
Vosyn – Etobicoke, ON | Feb 2024 – Jul 2024

- Implemented React components for internal applications, improving user interaction and maintainability.
- Participated in daily Agile scrum ceremonies, contributing to user stories, bug fixing, and UI enhancements.
- Focused on cross-browser compatibility, accessibility, and maintainability of frontend code.
- Documented workflows, processes, and coding standards using Notion to support team collaboration.

Frontend Developer / Partner Experience Officer
Seneca Hackathon – Toronto, ON | Jan 2023 – May 2023

- Led design and development of a user-friendly event website, reflecting the Hackathon's brand and goals.
- Created and maintained project charters, technical documentation, and status reports to align stakeholders.
- Facilitated communication among sponsors and internal teams during event execution.

Mobile App UI Designer (Capstone Project)
Centennial College – Toronto, ON | Sep 2021 – Apr 2022

- Designed and built user interfaces for React Native mobile applications on Android and iOS.
- Conducted user research and translated findings into wireframes, high-fidelity mockups, and prototypes.
- Developed functional apps, incorporating user feedback and platform guidelines.

Frontend Developer
Grepsr – Kathmandu, Nepal | Jan 2021 – Sep 2021

- Created and maintained single-page applications using React.js, with a strong focus on performance and accessibility.
- Streamlined development by creating reusable components and implementing MVC patterns.
- Optimized load times by 50% and improved engagement through A/B testing.
- Ensured all code adhered to **WCAG/AODA accessibility standards**.

Frontend Developer
Prixa Technologies – Lalitpur, Nepal | Jan 2019 – Dec 2020

- Delivered 15+ responsive websites and landing pages, improving user satisfaction by 90% based on client and user feedback.
- Improved customer engagement by applying user feedback to frontend UI updates.
- Mentored new developers, conducted code reviews, and led design planning sessions.

Frontend Developer
WP Creative – Kathmandu, Nepal | Jan 2018 – Nov 2018

- Collaborated with UX/UI designers to transform design mockups into interactive and user-friendly interfaces, incorporating feedback for ongoing improvement.
- Revamped the website's user interface, making it more user-friendly, resulting in a 20% increase in user engagement.
